### **II. Policy**

To enhance our working environment and collegial relationships between faculty, students and staff a diversity of food choices will be provided and conveniently located on the campus. Food services are to be financially solvent and meet campus and industry health standards.

### **III. Catering, Food Distribution, and Sales Responsibilities**

- A. **Campus Dining Services (UCen Dining and Residential Dining) and the Faculty Club** have exclusive responsibility for providing all catering, food distribution and sales on the Santa Barbara campus.
- B. **Housing and Residential Services Concessions** has responsibility for providing food services for events held at campus athletic facilities, tournaments, concerts, Arts and Lectures events, and for unaffiliated organizations that rent a campus facility for an event.
- C. **Departments** shall contact Campus Dining Services, the Faculty Club, or Concessions to meet their dining, catering, or food sales requirements. If Campus Dining Services or the Faculty Club are unable to provide the needed food services, the department may contract with a caterer who is certified as meeting industry health standards, who possesses a health permit, and meets University insurance requirements.

- D. **Environmental Health & Safety** may perform inspections of food and catering providers as necessary. If practices, standards or guidelines are not being followed Environmental Health and Safety may require corrections to be made or discontinue the distribution of food by that provider.
- E. **Risk Management** is responsible for determining whether off-campus food vendors and caterers meet University insurance requirements. Insurance requirements for off-campus food vendors may be obtained from the Office of Risk Management.
- F. **Food providers** may be required to obtain county health permits or UCSB food permits and meet all University insurance requirements. Food providers must display required permits at the event at which the food is provided. Applicable requirements may be obtained from Environmental Health and Safety or from Campus Dining Services.

#### IV. **Exceptions**

- A. The **Faculty Club** shall be the first point of contact for weddings held on the Santa Barbara campus. If the Faculty Club can not accommodate the client's needs, the Faculty Club will refer the client to Campus Dining Services.
- B. The **University Children's Center** is responsible for providing snacks and limited lunches for the University Children's Center.
- C. **Multicultural Center** staff who have been trained in professional food safety may prepare, or supervise the preparation of food in the Multicultural Center kitchen to enhance particular Multicultural Center programs. The food is to be offered and consumed during the event. The Multicultural Center is responsible for reviewing, approving, and supervising the event, food preparation and distribution. Guidelines for these events may be obtained from the Multicultural Center.
- D. **Student Groups** may have bake sales no more than once per month per group. Permits are required. Permits must be authorized by the Office of Student Life and displayed at the sale. Permit applications and guidelines for food type, preparation, and approved locations may be obtained from the Office of Student Life.
- E. **Individuals** may provide light refreshments for meetings or have potlucks for department gatherings only when basic sanitary practices and campus and industry health standards are met. The Health and Safety Code may be obtained from Environmental Health and Safety.
