PAYMENT OF STATEMENT OF INTENT TO REGISTER FEE

II. POLICY:

The Statement of Intent to Register fee (\$50) is required of all new undergraduates, other than continuing, re-entering, intercampus transfer, and some foreign students (usually those on student visas, residing out of the country at time of application). The fee is non-refundable in all cases; the \$50 is deducted from required fees at the time of registration. The fee is designed to minimize the problem of new undergraduates who are admitted but do not register, thus providing the University with a better approximation of the number of new students who will in fact register. The fee may not be waived. In special circumstances, the SIR fee may be offset, but only for apparently full-need EOP students in accordance with Policy 4415.
