#### STUDENT ACCIDENT AND SICKNESS INSURANCE PLAN

##### I. REFERENCES:

- A. UCSB Policies Manual, Policy 4200, Student Health Service.
- B. UCSB Policies Manual, Policy 4220, Insurance Requirements for Foreign Students.

##### II. POLICY:

The Student Accident and Sickness Insurance plan supplements the services offered by the campus Student Health Service and provides benefits for certain medical expenses insured on or off campus. The Student Health Service at UCSB is not an insurance service and limits its medical, surgical, and infirmary benefits to those for which it is staffed and equipped. In case of injury or illness, the student must, whenever physically possible, first report to the campus Student Health Service where the student will either be treated or referred to an outside facility for necessary medical care.

The Student Accident and Sickness Insurance Plan is negotiated annually. The original copy of the contract, detailing the terms of the policy is on file in the Student Health Director's Office.
