HEALTH INSURANCE REQUIREMENTS
FOR INTERNATIONAL STUDENTS

I. REFERENCES:

- A. UCSB Policies Manual, Policy 4215, Student Accident and Sickness Insurance Plan.

II. POLICY:

- A. The acquisition of Student Accident and Sickness Insurance Plan is a condition of registration at UCSB for all international students except those in the United States on immigrant (Permanent Resident) visa. The campus insurance currently available to all registered students (see Policy 4215) meets all established minimum benefit criteria. Non-immigrant students may not waive the purchase of this insurance for themselves or dependents accompanying them, unless exempt. Premiums for the UCSB health insurance policy must be paid at the time of registration. Students must request exception before payment of University fees.
- B. Students may request an exemption from the UCSB mandatory health insurance policy through the Office of International Students and Scholars provided they have health insurance coverage which is comparable or better than the UCSB policy.
